Bonn, 07.10.2021

Dear Parents,

The autumn vacations are just around the corner. Even though we had now the first experiences with the first positive pool tests, we fortunately complete the school year so far without any major cancellations.

The school conference and the parents' representation could also take place in person in compliance with hygiene regulations. Dr. Gui was re-elected as the chairman of the parents' representation, his deputy is Dr. Kotzenberg. I would like to thank them for the good and trusting cooperation so far and look forward to working with them in the future.

Dealing with private mobile, especially internet-enabled communication devices

The school conference has unanimously decided that from 25.10.2021 (1st school day after the autumn vacations) the use of private mobile, in particular also internet-enabled communication devices of all kinds (e.g. cell phones, smartphones, smartwatches, tablets) is prohibited for the students on the entire school premises as well as at school events outside the school or lessons at extracurricular places of learning.

Students are permitted to carry the above devices, but must keep them in their school bags while under school supervision. Devices brought to school must be turned off completely or at least turned to silent mode. Internet-enabled devices must also be taken offline.

Upcoming events

St. Martin

The school conference has decided that St. Martin's Day will be celebrated once again this year within the school and class and not as part of a St. Martin's parade. On Wednesday, 10.11.21 in the morning, St. Martin will parade through the classes and each class will prepare a small program for it.

Annual General Meeting of the Friends of the School (Förderverein)

On Wednesday, 27.10.21 the annual general meeting of the Förderverein will take place at 7.30 pm. An official invitation will follow in due time.

On behalf of the entire Donatus School community, I wish you and your children a relaxing fall break!

Stay healthy!

With kind regards

Uta Becker,
Principal
