Dear parents,

the state government of NRW which is the supervisor body for all public schools is providing a new learning platform available to all schools starting this school year. The legally compliant and data protection-compliant LOGINEO LMS learning management system is designed to facilitate distance learning and at the same time help to provide digital support for learning processes in classroom.

Enclosed I would like to explain briefly how you and your child can access the learning portal of KGS Donatusschule.

You can access our learning portal via the following link:

<https://111338.logineonrw-lms.de>

Now you need a **login name** and a **password**.

The **login name** is as follows:

firstname.lastname (all lower case).

If your child has a double name and is also registered with this name in school, please use a hyphen.

First name-middle name.last name-second last name

Please enter the German umlauts (ö/ü/ä) always as oe/ue/ae.

The **password** for the first login is composed as follows:

login name%class abbreviation

like: firstname.surname%class abbreviation

Class abbreviation = K1A/K1B/K2A/K2B/K3A/K3B/K4A/K4B

Example:

Name: Anna Lisa Müller Schmidt

Class 1A

Login name: anna-lisa.mueller-schmidt

Password: anna-lisa.mueller-schmidt%K1A

The first time you log in, you will be asked to change the password. Please remember or write down the new password and keep it safe.

Enclosed a video in German for you to download.

More materials for pupils and parents in German can be found at:

<https://www.schulentwicklung.nrw.de/cms/lms/lernmanagementsystem-logineo-nrw-lms/index.html>

I wish you and the children every success with your first registration.

Kind regards

Johanna Hintze
